## **Summer Vacation Rocks: Give Teens Their Own Room, A Teen-Friendly Concierge and Activities. Party On!**

FOR IMMEDIATE RELEASE

**July 1, 2009. (Ojai, CA)**— Ojai Valley Inn & Spa has the secret formula for the Perfect Summer Teen Vacation: 1) Give kids their own room and 2) Keep ‘em busy with an incredible range of activities.

The property’s Perfect Teen Vacation package includes a separate room for children (under 18) at no extra charge and free access to Ojai’s specialty teen area that includes everything from a pool table and foosball table, Wii system, Guitar Hero and more.

“This is teen heaven!” said Janis Clapoff, managing director, Ojai Valley Inn & Spa. “ There is just so much for teens to do, we needed a Teen Concierge to handle it all! Our Spa, with its unique teen program, and golf course are just two further outdoor options.”

With the kids entertained, parents have real quality time for their own experiences: indulging in Spa Ojai (rated #1 in the world by Trip Advisor) or enjoying a round at Ojai’s championship golf course (rated among the finest in North America and home to seven PGA Senior Tours).

“While it is important for families to have quality *together* time, it is also important that everyone gets some quality time *alone*, especially the kids,” said Janis Clapoff. “Now, both parents and kids can stay in their own rooms and take part in separate experiences – all the while being together in one resort.”

The Perfect Teen Vacation is available on all rooms and suites through September 3, 2009. Complete details can be found at [www.ojairesort.com/teen](http://www.ojairesort.com/teen), with prices starting at \$605 per family per night (based on a minimum 3-night stay).
